Practice Parameters

Dry Needling is an Invasive Procedure H-410.949

Topic: Practice Parameters **Policy Subtopic:** NA

Meeting Type: Annual **Year Last Modified:** 2016

Action: NA **Type:** Health Policies

Council & Committees: NA

Our AMA recognizes **dry needling** as an invasive procedure and maintains that **dry needling** should only be performed by practitioners with standard training and familiarity with routine use of needles in their practice, such as licensed medical physicians and licensed acupuncturists.
