FOR IMMEDIATE RELEASE:

AMERICAN SOCIETY OF ACUPUNCTURISTS TO HOLD INAUGURAL CONFERENCE JUNE 1-2 and ASA on CAPITOL HILL JUNE 3, 2019

The State of Our Union: Licensed Acupuncturists in U.S. Healthcare

15 NCCAOM PDAs approved!

June 1-2, 2019, Washington, DC, the ASA Conference will feature sessions and strategy discussions on pressing acupuncture policy and regulatory issues that affect licensed acupuncturists, teaching institutions, and US healthcare. Join in this vital discussion on the future of licensed acupuncture and US Healthcare!

Highlights include:

- Acupuncture & integrative health movement with Dr. Leonard A. Wisneski, chair at the IHPC, the Integrative Health Policy Consortium;
- Acupuncture and the military with Juli Olson from Veterans Affairs;

- Acupuncture and federal legislation with Ellen Hamilton, Legislative Aide of Congresswoman Judy Chu, and Martin Schultz, Legislative Director of Congresswoman Jackie Walorski;
- Reaching the underserved: looking at models that work with Dr. Mikhail Kogan of the George Washington Center for Integrative Medicine and the AIM Health Institute;
- Engaging in research: tips for successful grant applications and what's needed from our profession from experts working with NIH and major teaching institutions;
- The opportunity to engage with hundreds of acupuncturists and like-minded individuals from around the country
