

H.R. 4803

THE ACUPUNCTURE FOR OUR SENIORS ACT

Medicare covers acupuncture services,
but does not cover acupuncturists.

PROBLEM

BENEFITS TO CONSIDER

Acupuncturist Coverage Brings Value

Enables the **most qualified** practitioner group to provide acupuncture services.

Increases access to a safe and cost-effective option for Medicare beneficiaries.

Helps **Medicare beneficiaries manage pain** and stay active, independent, and mobile.

Acupuncturists Provide Cost-Effective Care

Access to acupuncturists helps more Seniors manage and prevent chronic pain.

Access to acupuncturists helps reduce opioid reliance, surgeries, time off work, and costly pharmaceuticals.

THE SOLUTION

1

Increase access to the **most qualified practitioner group**: Acupuncturists.

2

Enable Acupuncturists to practice independently, in accordance with **Licensure Laws**
