## THE ACUPUNCTURE FOR OUR SENIORS ACT

Medicare covers acupuncture services,  
but does not cover acupuncturists.

### PROBLEM

### BENEFITS TO CONSIDER

#### Acupuncturist Coverage Brings Value

- Enables the **most qualified** practitioner group to provide acupuncture services.
- Increases access** to a safe and cost-effective option for Medicare beneficiaries.
- Helps **Medicare beneficiaries manage pain** and stay active, independent, and mobile.

#### Acupuncturists Provide Cost-Effective Care

- Access to acupuncturists helps more Seniors manage and prevent chronic pain.
- Access to acupuncturists helps reduce opioid reliance, surgeries, time off work, and costly pharmaceuticals.

### THE SOLUTION
